Up to 36 additional hives	18.10

Associate members must reside at the same address as the full member with whom they are associated. They do not receive the monthly BBKA newsletter.

Voluntary Bee Research

The Voluntary Bee Research fee is optional and is collected by Somerset BKA. This year, these donations will be ring-fenced in SBKA funds and used for projects such as EFB Research or Asian Hornet Research at Exeter University.

The amount of money per member is less than the price of a jar of honey, so could be considered to be good value for money!

Insurance

Membership of BBKA includes insurance cover for activities arising from members' beekeeping activities and the provision of beekeeping products. Information is available on the BBKA website members' area.

Bee Disease Insurance is supplied by BDI Limited and is not included in the BBKA subscription. Bee Disease Insurance Ltd. (BDI) is an insurance company set up and run for beekeepers by beekeepers. It promotes research, education and disease control methods for honey bee disease. It also compensates subscribing beekeepers and their bee colonies in England and Wales in respect of losses caused by statutorily notifiable honeybee diseases and pests. Currently these are American Foul Brood, European Foul Brood, Small Hive Beetle and Tropilaelaps Mites. Information is available online at BeeBase.

If payment for insurance is not received by the end of March 2019 your insurance ceases. Late payment then causes a 40 day delay before your insurance is activated.

The chain of administrators from Mendip, through Somerset and the BBKA would welcome prompt payment!

N.B. Make sure you are correctly insured. If, in the event of a claim, you are found to be under insured and have more hives than specified by your subscription, the complete cover is invalid. Also if you share an apiary with other beekeepers make sure they are all insured as an uninsured beekeeper in an apiary invalidates your insurance.

Taxpayers

If you are a taxpayer, please sign a Gift Aid Declaration (on reverse of the renewal form), as this increases the value of your subscription. I would be grateful if you could fill in the part of the form which tells me your Gift Aid status, as some people are not indicating their status and I am unable to claim any gift aid if their tax status is not declared.

Data Privacy

In order to comply with the current Data Protection Regulations, there is a form attached that also needs to be completed as part of your membership renewal. Further details are contained on that form.

Swarm Collector Request

Please could you indicate on the renewal form if you would be willing to be registered as a Swarm Collector ?

Beekeeping Courses and Qualifications

Please could you indicate any beekeeping courses and / or qualifications you may hold. This will ensure that the Somerset Handbook and Mendip records are kept upto date.

Contact Preferences and Payment Options

If you do have an email address please let me know. For ease of administration, it is possible to send out an electronic receipt for your payment.

This email address will also be used, to send reminders for meetings and any other correspondence, which will be faster and considerably cheaper than using conventional mailing methods.

If you choose to pay by cheque, please make your cheque payable to MBKA and send it, with your renewal form, to me, the Treasurer, address as per the Mendip BKA Subscriptions 2019 Renewal Form.

If you have any queries please do not hesitate to contact me.
