Associate members must reside at the same address as the full member with whom they are associated. They do not receive the monthly BBKA newsletter.

The Voluntary Bee Research fee is optional and is collected by Somerset BKA for the BDI REViVe (Rolling out the Evolution of resistance to Varroa and DWV) research <http://www.beediseasesinsurance.co.uk/research/revive>. The amount of money per member used to be the equivalent to the price of a jar of honey so could be considered to be good value for money!

**PLEASE NOTE Unless you contact the treasurer to inform us otherwise, your membership of Mendip is an agreement for your details to be entered onto the BeeBase database. BeeBase is a free online resource for beekeepers run by the National Bee Unit with information for beekeepers. It also aids contact with bee inspectors and also enables disease warnings to be distributed to beekeepers. <http://www.nationalbeeunit.com/>**

## **Insurance.**

Membership of BBKA includes insurance cover for activities arising from members' beekeeping activities and the provision of beekeeping products. Information is available on the BBKA website members' area.

Bee Disease Insurance is supplied by BDI Limited and is not included in the BBKA subscription. Bee Disease Insurance Ltd. (BDI) is an insurance company set up and run for beekeepers by beekeepers.

It promotes research, education and disease control methods for honey bee disease. It also compensates subscribing beekeepers and their bee colonies in England and Wales in respect of losses caused by statutorily notifiable honeybee diseases and pests. Currently these are American Foul Brood, European Foul Brood, Small Hive Beetle and Tropilaelaps mites. Information is available online at BeeBase.

If payment for insurance is not received by the end of March 2016 your insurance ceases. Late payment then causes a 40 day delay before your insurance is activated. **The chain of administrators from Mendip, through Somerset and the BBKA would welcome prompt payment!**

*N.B. Make sure you are correctly insured. If, in the event of a claim, you are found to be under insured and have more hives than specified by your subscription, the complete cover is invalid. Also if you share an apiary with other beekeepers make sure they are all insured as an uninsured beekeeper in an apiary invalidates your insurance.*

## **Taxpayers**

If you are a taxpayer, and have not done so already, please sign a Gift Aid Declaration (on reverse of renewal form), as this increases the value of your subscription. You are only required to sign this form once. I would be grateful if you could fill in the part of the form which tells me your gift aid status as some people are not indicating their status and I am unable to claim any gift aid if the tax status is not declared.

If you do have an email address please let me know as for ease of administration it is possible to send out an electronic receipt for your payment. This email address is also used to send reminders for meetings and any other correspondence which will be faster and considerably cheaper than using conventional mailing methods.

Please make your cheque payable to MBKA and send it, with your renewal form, to me, the Treasurer, address as above.

If you have any queries please do not hesitate to contact me.

Mike Jay, Mendip BKA. [info@beebitz.com](mailto:info@beebitz.com)
